Notice of Privacy Practices

To our patients: This notice describes how health information about you as a patient of this practice, may be used and disclosed, and how you can get access to your health information. This is required by the Privacy Regulations created as a result of the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

Our commitment to your privacy

Our practice is dedicated to maintaining the privacy of your health information. We are required by law to maintain the confidentiality of your health information.

We realize that these laws are complicated, but we must provide you with the following important information.

Use and disclosure of your health information in certain special circumstances

The following circumstances may require us to use or disclose your health information:

1. To public health authorities and health oversight agencies that are authorized by law to collect information.
2. Lawsuits and similar proceedings in response to a court or administrative order.
3. If required to do so by a law enforcement official.
4. When necessary to reduce or prevent a serious threat to your health and safety or the health and safety of another individual or the public. We will only make disclosures to a person or organization able to help prevent the threat.
5. If you are a member of the U.S. or foreign military force (including veterans) and if required by the appropriate authorities.
6. To federal officials for intelligence and national security activities authorized by law.
7. To correctional institutions or law enforcement officials if you are an inmate or under the custody of a law enforcement official.
8. For Workers Compensation and similar programs.

Your rights regarding your health information

1. Communications. You can request that our practice communicate with you about your health and related issues in a particular manner or at a certain location. For instance, you may ask that we contact you at home, rather than work. We will accommodate reasonable requests.

2. You can request a restriction in our use or disclosure of your health information for treatment, payment, or health care operations. Additionally, you have the right to request that we restrict our disclosure of your health information to only certain individuals involved in your care or the payment for your care, such as family members and friends. We are not required to agree to your request; however, if we do agree, we are bound by our agreement except when otherwise required by law, in emergencies, or when the information is necessary to treat you.
3. You have the right to inspect and obtain a copy of the health information that may be used to make decisions about you, including patient medical records and billing records, but not including psychotherapy notes. You must submit your request in writing.
4. You may ask us to amend your health information if you believe it is incorrect or incomplete, and as long as the information is kept by or for our practice. To request an amendment, your request must be made in writing. You must provide us with a reason that supports your request for amendment.
5. Right to a copy of this notice. You are entitled to receive a copy of this Notice of Privacy Practices. You may ask us to give you a copy of this Notice at any time. To obtain a copy of this notice, contact us at (803) 929-0290.
6. Right to file a complaint. If you believe your privacy rights have been violated, you may file a complaint with our practice or with the Secretary of the Department of Health and Human Services. To file a complaint with our practice, contact our privacy officer. All complaints must be submitted in writing. You will not be penalized for filing a complaint.
7. Right to provide an authorization for other uses and disclosures. Our practice will obtain your written authorization for uses and disclosures that are not identified by this notice or permitted by applicable law.

If you have any questions regarding this notice or our health information privacy policies, please contact us.

I hereby acknowledge that I have been presented with a copy of Carolina Allergy & Asthma Consultants' Notice of Privacy Practice.

MISSED APPOINTMENT POLICY

We want to thank you for choosing CAAC as your health care provider. We ask you to arrive 15 minutes early for your appointment so we can ensure that all allergy history forms and authorizations are obtained. In order to give you and all our patients, the best possible care, we request that you review our policy regarding missed appointments.

A missed appointment is when you:

- **Fail to show up for your allotted appointment time**
- **Fail to cancel an appointment at least 24 hours in advance**
- **Are more than 15 minutes late for your appointment**

Please remember that we have reserved the appointment time especially for you. Therefore, we request at least a 24 hour if you need to cancel. This will enable us to offer your cancelled time to other patients who are in need of care.

If you are unable to keep your scheduled appointment time, ***please call our office at least 24-hours in advance in order to avoid a $25 missed appointment fee***. **This fee is not covered by insurance**. Your phone call is critical in helping us provide continuous care to all of our valued patients. If you fail to give us notice of your missed appointment, you will be charged the fee.

I have read and understand the policy stated above:
